

## 2021 SCHOOL CHARGES AND CONTRIBUTIONS

The Boyanup Primary School Board has endorsed the schedule of Contributions and Charges for 2021. The schedule is broken into four sections and will allow you to calculate all costs that **may be incurred** through the school year.

### 1. Contributions

The total amount of contributions parents/caregivers are being asked to pay has been set at \$50.00 per student which is in line with the School Education Regulations 2000 and less than the maximum that can be charged.

Money collected will be used to supplement school expenditure in the curriculum learning areas. While the contributions are voluntary the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth governments. It is therefore vital for the school to receive your family's contribution. Your contribution will be used to supplement school funding for the purchase of resources needed in the provision of the learning program activities. The table below gives you the breakdown of where we will direct your voluntary contribution to.

The School Board has suggested a number of options be offered to assist parents making their contribution.

**Option 1** A single contribution of \$50.00 (this can be paid at the school Office)

**Option 2** Four equal contributions, each of \$12.50 made in the first week of each term.

**Option 3** Two payments, each of \$25.00 made in the first week of each semester.

The School Board would like to point out the contribution per child (\$50.00) equates to \$1.25 per week over the course of the year.

**All contributions are used for the direct benefit of the children. Our aim is to raise our community's contribution rate for the benefit of all our children.**

### 2. Charge for Extra Cost Optional Components

A breakdown of estimated charges for your child's participation in excursions, incursions and activities for 2021 have been included in the table overleaf. Details on charges collected in previous years has helped guide the 2021 estimate of charges. **The amounts shown represent the maximum that can be charged for scheduled activities in 2021.**

The schedule includes costs associated with:

- Specific learning activities and available to **all** students, but conditional on a payment being made e.g. incursions, excursions.
- Specific learning activities available to **selected** students, but conditional on a payment being made e.g. PEAC
- Other activities available to all students, but conditional on a payment being made e.g. camps, etc.

### 3. Items For Personal Use

The list of items for personal use will vary from student to student and includes:

- Pupil requirements for all students and used in lessons e.g. stationery items, calculator, etc.
- Pupil requirements recommended but not essential for all students e.g. tissues, art shirt, etc.
- Pupil requirements for selected students and not directly part of the educational program e.g. class photographs, Year 6 leaver's shirts, etc.
