## Canteen Manager

Our school P&C are on the look out for someone who is really keen to take on the voluntary role as Canteen Manager commencing from Term 4. Our current manager, Marji O'Connor will be stepping aside from next term after several years providing an awesome service to our students. Marji is keen to train her replacement prior to their commencement. The position can also be shared between two people. If we are unable to recruit a new manager, the P&C may need to review whether the canteen remains open or reduce the number of times a term it is available.

## Boyanup School Emergency Management Plan

In emergencies, schools need to have at hand, practical information about actions that guide response and aid recovery in order to:

- ensure the safety of all persons on the school site
- ensure a supportive, caring response that considers the mental health needs of all members of the school community
- return to normality as soon as possible
- enable continuation of school routine and an optimal learning environment
- minimise the adverse effects of such an event on the school community.

Schools need to take action to prepare for and prevent emergencies and critical incidents. Boyanup School has recently reviewed and amended our Emergency and Critical Incident Management Policy which includes an updated Evacuation and Lock Down set of procedures.

In an event where students are evacuated, every attempt will be made to communicate with our families to ensure they are aware of the situation, and where the children have been mustered for their safety. In most cases, the evacuation point is in the centre of the adjoining school oval.

However, if there is a bush fire, the children will be mustered to the Library, where further instructions from authorities will advise if we will need to evacuate the school site to an external site (Boyanup Hugh Kilpatrick Hall).

Communication to families will be conducted through SMS messages, phone and/or local radio.

A copy of the Emergency and Critical Incident Management Policy, including full evacuation and lock down procedures are available from the office.

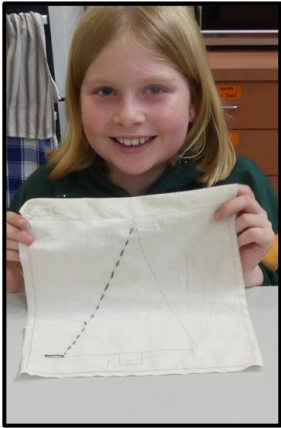

## School Board Vacancy

A vacancy has arisen on the School Board for a Community Representative. If anyone knows a community member who would be keen to sit on our Board and contribute towards supporting our school, please contact the school office. Community members share a variety of perspectives and expertise and bring the views and context of the wider school community to the school.

Principal

## TA03 Sewing Project with Mrs Marion Lewis

Thank you to Mrs Marion Lewis for sharing her time and sewing expertise with our students from TA03 during Term 2 and 3. This Term the students have been sewing a beautiful wall hanging using running stitch and oversewing with another colour. They have then used their new sewing skills to decorate the inside of their design by sewing on buttons and jewels. The project has helped students to develop skills in needle threading, knotting, fine motor skills, design and colour.

## Jump Rope for Heart

### Jump Rope for Heart kicks off this term at Boyanup!

Jump Rope for Heart is the Heart Foundation's Primary School skipping challenge that helps kids move more, have fun and raise funds for lifesaving research and programs.

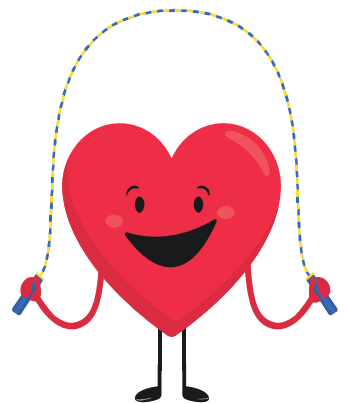

This year we've got an audacious goal to see our students at Boyanup Primary School log 40 hours of skipping throughout the program!

Flyers were sent home Monday with full information. [Register your child online](#), to participate in online fundraising, simply follow the link to get started. [www.jumprope.org.au/parents](http://www.jumprope.org.au/parents)

The program will begin on the 14<sup>th</sup> of August and end with a Jump Off Day on the 11<sup>th</sup> of September where students will be able to display their new skipping skills and tricks to fellow students.

Thank you for supporting the Jump Rope for Heart program!

## Dads and Daughters

Online via Zoom

For girls, a father's love and support are extremely important. As the primary male role model in a girl's life, Dads hold the key to her self-esteem and how she will grow up to see herself. A girl's image of herself as intelligent, interesting and capable is boosted by her father.

Dads often don't know their role with daughters, especially when they are teens. Yet girls hunger for connection with their dads and stepdads. They need to know and feel that they are special to their father, that he respects her, that he is reliable and safe.

This workshop will give you some tips to build a rewarding father-daughter relationship.

**When:** Wednesday 20 September 2023

**Time:** 6.30pm - 9.00pm AWST
