A warm welcome back to all our families for the final term of 2023. We hope you had a restful and enjoyable break and are ready to embark on this exciting journey with us once again. As we enter the last leg of the academic year, we look forward to all the adventures, challenges, and achievements that await our students. Together, we will make this term memorable, productive, and fulfilling for every member of our school community. Thank you for your continued support, and let's make the most of this term!

Interschool Athletics Carnival

The 2023 Interschool Athletics Carnival will be held on Friday 3rd November (commencing at 9.45am) at River Valley Primary School, Burekup. A team of 24 students will be representing Boyanup and we wish them good luck. Other schools competing include Brunswick Junction, Djidi Djidi, River Valley and Yarloop Primary Schools. Families are very welcome to attend the carnival and support our students. After another tremendous win last year, I believe we may be hot favourites again this year to take out the shield. GO BOYANUP!!!

End of Year Concert and Year 6 Graduation

This year our End of Year Concert and Awards Ceremony will be held on Thursday 7th December commencing at 9.00am in the Undercover Area. Once the concert is finished around 10.30am, students will return to class. Students from Kindergarten to Year 6 will present to our families an item based around the 'A Christmas' theme.

The Year 6 Graduation will be held on Friday 8th December at 9.30am in the Undercover Area. At the conclusion of the ceremony, morning tea and the cutting of the graduation cake for the graduates and their families will be held in the Library. The Year 6 students will then gear up for an unforgettable overnight camp in Perth, scheduled for departure on Monday, December 11th, and a return on Tuesday, December 12th. This adventure promises a packed itinerary brimming with exhilarating activities, serving as a fitting reward for their successful journey through Primary School.

Planning for 2024

We are starting our planning for next year and establishing student numbers is a vital part of the planning process. If you know of any new student enrolments for next year can you ask them to contact the school if they have not already done so. On the flip side if you are intending to leave can you please let the school know. Boyanup values each and every student and I am more than happy to discuss things we can improve upon and things that we do well.

Long Hair at School

There are many reasons why all students with longer hair should tie their hair back when attending school. Longer hair is identified as hair that is longer than shoulder length or long enough to tie back.

The recent warm weather has meant that students return to class very hot after playing at recess and lunchtime. If their hair is not tied back, it can make them even hotter.

Another reason is tidiness. All students look very smart in their Boyanup Primary School uniforms and having neat hair compliments how they look. By tying your hair back, you can also prevent it from becoming entangled and keep it in place, thus reducing the risk of damage. This will also help to keep your hair healthy and strong.

A very important reason however is the issue of headlice. Headlice can spread only by direct, hair-to-hair contact. If students have long, loose hair, they can migrate easily to new heads; if hair is neatly tied back, it's much less likely to happen.

At Boyanup Primary School, we require all students to tie their hair back. It positively promotes our School Expectations of *'Being Respectful'* and *'Being Caring & Safe'*.

Bookings essential

At times all parents feel lost or without a clue about what our child might need from us. Imagine what it might feel like if you were able to make sense of what your child was really asking from you. The Circle of Security® Parenting™ program is based on decades of research about how secure parent-child relationships can be supported and strengthened.
